

UTokyo Global Leadership Education Program (GLP)

List of GLP Designated Courses for Winter Semester 2014 (PEAK Students)

The 'Global Leadership Education Program' (GLP) is an innovative, transdisciplinary 4-year undergraduate program launched by the University of Tokyo in April 2014. GLP is designed to equip talented undergraduates with the global competences and skills necessary to act effectively as creative, knowledgeable, and responsible players and 'change-makers' on the global stage. The program consists of two phases: GLP I in Year 1 and 2 of the undergraduate degree, and GEFIL (=GLP II, Global Education for Innovation and Leadership) from Year 3. At the end of GLP I around 100 qualifying students will be selected to proceed to GLP II. *1

Students wishing to progress to GEFIL/GLP II, have to complete GLP Designated Courses**2 to the amount of 6 credits or more over the course of GLP I. Students have to choose GLP

Designated Courses from at least two of the three categories of 'Global Education', 'Foreign Languages'*3 and 'Problem-solving and practical skill subjects'. The list below shows the GLP Designated Courses for the winter semester 2014.**4

- *1 Details of the selection criteria can be found in the GLP-GEFIL pamphlet as well as on the website (http://www.u-tokyo.ac.jp/stu04/h01_glp01_j.html)
- *2 GLP Designated Courses are selected for every semester.
- *3 For PEAK students, 'Foreign Languages' excludes (Introductory / Intermediate / Advanced) of student's mother tongue.
- *4 Courses marked in gray, are in principle open for April-entry students. However, to enroll in any of these courses, students must first receive permission directly from the instructor (in some cases, permission may not be granted because of class size limitations and course requirements). Furthermore, students must complete the registration procedures for courses requiring registration approval at the PEAK/GPEAK Section (counter No2), submitting the Registration Approval Card with the instructor's signature. For details, refer to "PEAK Academic Handbook".
